### **Constitutional Amendment**

Append the following sentence to V6B: "A written petition of twenty percent or more of the members of the State Central Committee may call a meeting of the State Central Committee for a specific stated purpose." This was approved at the last CC meeting and this vote is up or down for final adoption. The Investigating Committee reports: We support proposed amendment provided it be amended to read: "A written petition of twenty percent or more of the members of the State Central Committee as of the close of the previous Central Committee meeting may call a meeting of the State Central Committee for a specific stated purpose." Reason: The added phrase will avoid disagreements over the number of signatures needed or the eligibility of signers in a prudent manner. Approved on a voice vote.

**Presidential Electors:** The following 10 were nominated as Presidential Electors committed to Jo Jorgensen: Eric Blitz, Doug Stanley, Kyle Wagner, Muir Boda, Dean Ahmad, Brian Krahlung, Chris Gannon, Robert Glaser, Phil Dassing, and Paul Eads; approved on a voice vote without dissent.

### **Proposed Constitutional Amendment**

In V6B, replace : "A written petition of twenty percent or more of the members of the State Central Committee may call a meeting of the State Central Committee for a specific stated purpose." with "A written petition of twenty percent or more of the members of the State Central Committee as of the close of the previous Central Committee meeting may call a meeting of the State Central Committee for a specific stated purpose." Approved unanimously on a voice vote. The Investigating Committee is Bob Johnston, Dean Ahmad, Eric Blitz, David Dull, and Brian Krahlung.

**Chris Gannon presented two alienated parents resolutions:** #1 The Maryland Libertarian Party condemns inappropriate governmental interference in parental custody including but not limited to incentivizing unreasonable child support orders via Title IV-D funding and parental alienation without due process. #2 Libertarians stand with wrongfully alienated parents advocating for their inalienable right to equal shared parenting. Both passed unanimously on a voice vote.

**David Dull on Orlando Convention:** There was discord and division at the beginning, but solidarity at the end; Alex Merced respected all. There were 11 MdLP delegates present in Orlando. Presented Dean Ahmad with a retired *Maryland* stanchion from the national convention.

**Nominations for Public Office:** Leo Dymowski for Circuit Court judge in Baltimore county; approved on a voice vote.

**Phil Dassing:** expresses thanks for help in Orlando.

**James Lark, outgoing LNC regional rep:** Dr. Lark was disgusted at ugliness he viewed from Orlando; we need the highest standards of intellectual honesty, sees dishonesty on social media; we must treat people right, with respect. Our liberties are vanishing at a great rate, we can't afford to let silly things come between us. Bob Johnston nominates James Lark for lifetime MdLP membership; approved.

**Announcements:** Robert Glaser has license plate applications and extra newsletters on hand, and MdLP caps for sale. Kyle O'Donnell offers Jorgensen signs and more.

**Adjournment:** the meeting adjourned at 6:08 pm.
